

Route 23 and 24 Realignment

23 Charlestown Shopping Centre - Merrion Square

24 Dublin Airport - Merrion Square

Effective from 8 February 2026

From 8 February 2026, a revised City Centre alignment for Route 23 and 24 will be introduced (see map).

These changes will take the routes away from the current congestion along the southern alignment via High Street and Christ Church. This will help reduce delays and provide a more reliable service.

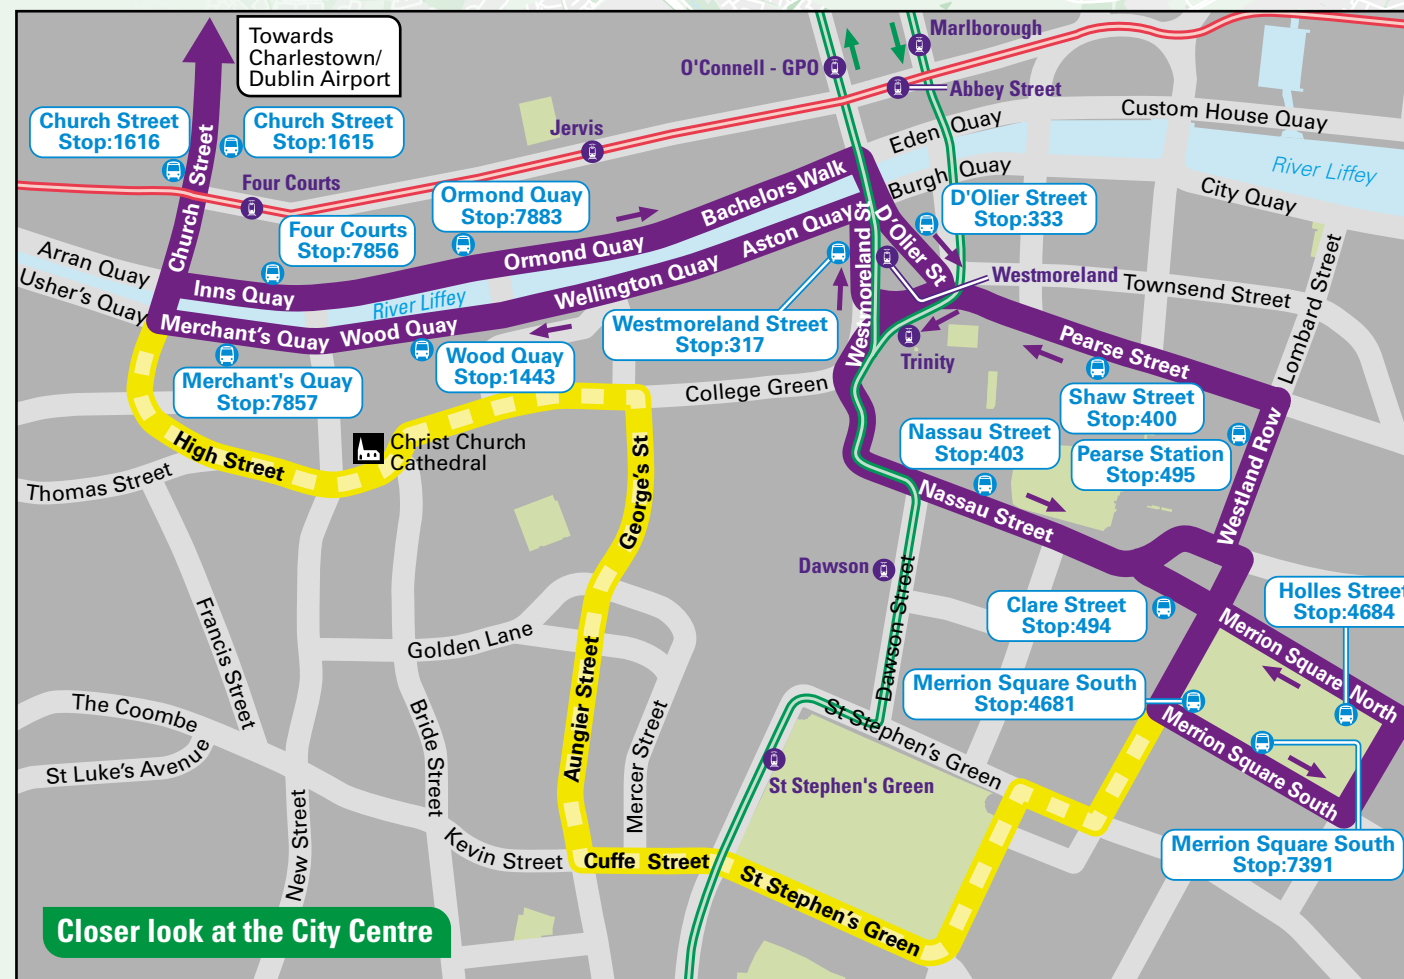

Both routes, operated by Dublin Bus, will divert onto the quays, cross the River Liffey at O'Connell Bridge and continue around Trinity College before terminating at Merrion Square.

I bhFeidhm ón 8 Feabhra 2026

Ón 8 Feabhra 2026, cuirfear ailíniú athbhreithnithe lár na cathrach i bhfeidhm do bhealach 23 agus bealach 24 (féach an léarscáil).

Leis na hathruithe sin, tógfar na bealaí amach ón bplódú reatha feadh an ailínithe theas tríd an tSráid Ard agus Teampall Chríost. Cabhrófar leis sin le moilleanna a laghdú agus seirbhís níos iontaofa a chur ar fáil.

Beidh an dá bhealach, arna n-oibriú ag Bus Átha Cliath, ag atreorú chuig na Céanna, ag trasnú na Life ag Droichead Uí Chonaill agus ag dul ar aghaidh timpeall Choláiste na Tríonóide sula gcríochnóidh siad ag Cearnóg Mhuirfean.
