

80 Dartry - Liffey Valley

Effective from 8 February 2026

From 8 February 2026, a temporary realignment for Route 80, operated by Dublin Bus, will be introduced **(see map)**.

It will divert via the inner quays, O'Connell Bridge and College Green then via its normal alignment to and from Palmerston Park.

This realignment will help ease congestion, and provide a more reliable service along Route 80. The realignment is temporary and will change in the event that the proposed College Green Plaza scheme proceeds.

This temporary alignment will remain in place while long-term solutions are reviewed.

Route 80 Realignment (interim) as of 8 February 2026

80 Dartraí - Gleann na Life

I bhFeidhm ón 8 Feabhra 2026

Ón 8 Feabhra 2026, cuirfear ailíniú sealadach i bhfeidhm do bhealach 80, arna oibriú ag Bus Átha Cliath (féach an léarscáil).

Atreorófar é trí na céanna istigh, Droichead Uí Chonaill agus Faiche an Choláiste agus ansin trína ghnáthailíniú go Páirc Bhaile Phámar agus ar ais uathí.

Leis an ailíniú sin, cabhrófar le plódú tráchta a mhaolú, agus cuirfear seirbhís níos iontaofa ar fáil feadh bhealach 80. Is athailíniú sealadach é sin agus athróidh sé arís i gcás go rachfar ar aghaidh leis an scéim atá beartaithe do Plaza Fhaiche an Choláiste.
